

2019 STEMship Program

2019 STEMship Program is a VET pre-employment program focusing on the development of STEM skills at a technical level and the creation of a highly-skilled job-ready talent pool. The program is designed to bridge the gap between Secondary School and University integrated STEM programs. Over 70% of students that have completed a STEMship Program have since gained full-time employment, or entered into further study.

ENTRY REQUIREMENTS

- Students may require an exemption from school for the duration of the program
- Students must have completed Year 10
- Must have the ability to travel to a Newcastle TAFE Campus

DATES

15 March 2019	Expressions of Interest Closing Date
25 March 2019	Student Interviews
11 April 2019	STEMship Launch Night
May 2019	TAFE Component Commences

For **EXPRESSIONS OF INTEREST** please complete the form through the below link:

<https://www.rdahunterstem.org.au/stemship/expression-of-interest/>

The program includes:

- 17 weeks completing a combination of training and work placement (25 hours per week)
- Students will complete multi-disciplinary skillsets with TAFE NSW
- An opportunity to gain work placement in some of the Hunter Region's most innovative organisations
- Industry site tours to promote awareness of employment pathways
